By Rail

Our nearest train station is Belvedere. Regular trains to Belvedere run from London Bridge and London Waterloo East.

There are also trains from Ebbsfleet International Station, situated approximately 20 minutes away near the A2.

From Belvedere train station walk over the footbridge and head towards Yarnton Way. At Yarnton Way turn left and head towards Waldrist Way which will be situated on your right. On Waldrist Way, turn left into Veridion Way and The Thames Innovation Centre will be on your right.

By Road – From London

On the A2 take the exit for Bexleyheath. Then take the first exit at the roundabout onto Gravel Hill, continue on the A220 until you reach a roundabout joining the A2016 (Bronze Age Way)

Take the 1st left on to Bronze Age Way, you will reach a roundabout; take the second exit on to Picardy Manorway.

Then you will reach another roundabout take the 1st exit on to Yarnton Way, then take the first right into Waldrist Way and left into Veridion Way.

The Thames Innovation Centre is the 1st building on the Right.
